[redacted] Called Frank Slatinshek, Chief Counsel, House Armed Services Committee, and informed him of a call we had received from Mark Kliman, in the office of Representative Les Aspin (D., Wis.), who said Secretary of Defense Schlesinger, in a briefing of the Committee, had used some figures on Soviet defense spending which they find difficult to justify. They asked DOD for an explanation of how they reached these figures and were referred to [redacted], OSR, because the figures were prepared by CIA. Slatinshek suggested that we prepare a paper for Aspin. If it is classified we should give it to Aspin personally, if it is not classified we will provide it to Kliman and also give a copy to Slatinshek.
